

BEACH AREA OUTREACH

Outreach is simply a broad application of our Twelfth Step. They maintain the link between the area groups and the area service committee so that no group may feel alone or isolated. They help area groups until they become better able to meet their own needs and eventually may become self-supporting.

Outreach organizes road trips to groups in need of support, helps register groups with the NA World Service Office and gathers information to publish the area meeting schedules.

Outreach also conducts orientations for new GSRs attending the Beach Area Service Committee meeting for the first time so the GSrs may better understand their vital role in the service structure.

Curently, there is no Outreach Chair.
If you would like to volunteer for Outreach service,
please contact Rosalie, ASC Chair, 858-336-0771
