

BEACH AREA PUBLIC INFORMATION

Our relations with the public enable us to share the Narcotics Anonymous message broadly so that those who might benefit from our program of recovery can find us. We perform public relations service to increase the awareness and credibility of the NA program. We share our message openly with the public at large, with prospective members and with professionals. Public Information provides speakers for groups and schools. They also host booths at neighborhood events where they distribute literature and meeting schedules.

Currently there is no Public Information Chair.
If you would like to volunteer for Public Information service,
